Contingency planning.

There was no written contingency plan on file at the facility.

Failure to have a written contingency plan can result in lack of readiness for emergencies or disasters.

Facilities must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster.

Exercise for dogs.

The facility does not have written document of the plan to provide dogs with opportunity for exercise. Without this plan, the facility may not be providing exercise for dogs as required by paragraph 3.8. It is necessary to allow the dogs the opportunity to exercise for their health and well being. A documented and approved exercise plan helps ensure that a dogs' space requirements and exercise needs have been considered and will be provided.

The facility must develop, document, and follow an appropriate plan to provide dogs with the opportunity for exercise. In addition, the plan must be approved by the attending veterinarian. The plan must include written standard procedures to
