Attending veterinarian and adequate veterinary care (dealers and exhibitors).

The attending veterinarian did not visit the facility in the last year (2025). The program of veterinary care states that regularly scheduled visits by the veterinarian will be completed annually, however, a veterinary visit has not occurred since December 2, 2024.

It's important to follow the program of veterinary care and have regularly scheduled visits by the veterinarian to ensure that the animals are receiving proper medical care, and that the veterinarian is familiar with the animals and facility in order to provide appropriate veterinary guidance.

The licensee must follow their program of veterinary care including regularly scheduled veterinary visits to the premises.
Correct by: August 8, 2026.
