### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 10:45am on September 16, 2025. The inspector attempted to contact the licensee but when they knocked on the door they were informed by a family member that the licensee was away for the day. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
