### 2.126(b)

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at approximately 12:00 on 05/25/2016.

The daughter of one of the owners was home and available, however she did not have access to any of the records which are needed to conduct a full routine inspection. Complete access must be available to APHIS Officials to all physical areas regarding the housing and care of regulated animals, as well as to all the records which show evidence of compliance with the Animal Welfare Act. Correct by ensuring that one of the owners or a knowledgeable designated representative is available to provide APHIS Officials the access to all areas and documents needed as part of the routine inspection process.
