Type: ATTEMPTED INSPECTION

Date: 11-AUG-2016

2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:45 on 08/11/2016.

Attempts to contact the licensee included knocking on all doors of the house, calling the home phone and leaving a message, and calling the licensee at his office. The office manager indicated that he was out of the office at that time, but a voicemail was left in the event he returned promptly thereafter.

Without a responsible adult, the inspection process cannot be conducted. The licensee must ensure that a responsible and knowledgeable adult will be available during his optimal hours for inspection to accompany AC inspectors.

Correct from this time forward.
