ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:30pm on 22-Dec-16.

The inspector was informed that the licensee would not be available for several hours, and there were no other representatives with adequate knowledge of the facility to accompany the inspection process. Licensees must ensure that a knowledgeable adult is available to accompany inspection during regular business hours, or establish optimal hours for inspection with the home inspector. Correct from this time forward.
