Cozy Cove Puppies

Type: RE-LICENSE INSPECTION

Date: 09-JUN-2026

2.40(b)(2)

Attending veterinarian and adequate veterinary care (dealers and exhibitors).

The facility states they administered an expired vaccine to animals. A box of Bordetella vaccines were found with an expiration of 8-APRIL-2026. The facility stated they administered this vaccine to four dachshund puppies after the expiration date but there have been no impacts on the animals. Expired medications are improper for usage as they may not be effective at preventing disease or they may cause harm to the animals. Each dealer or exhibitor shall establish and maintain programs of adequate veterinary care that include the use of appropriate methods to prevent, control, diagnose, and treat diseases and injuries. Correct by ensuring all medications used on animals have not expired. The facility disposed of the vaccines at the time of inspection.

This is a 1st Re-License Inspection for a Class "A" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by August 8, 2026 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
