WATERFALL PUPPIES

Type: ROUTINE INSPECTION

Date: 20-APR-2023

3.13(a)(3)

Veterinary care for dogs.

The licensee has not been following their written Program of Vet Care (PVC). There are 19 adult dogs in the facility that have not been given the distemper and parvovirus vaccinations. The current PVC prescribes for adult dogs to receive these vaccinations yearly. Distemper and parvovirus are contagious diseases which can cause illness, stress, and even death. Correct by ensuring vaccination for contagious and/or deadly diseases of dogs (including distemper and parvovirus), in accordance with a schedule approved in the PVC, is appropriately followed by the licensee. Correct by: May 3, 2023.

This inspection and exit interview were conducted with the licensee.
