Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:15 pm on May 22, 2026. The inspector attempted to contact the licensee by knocking on the kennel door, speaking with the licensee's spouse, calling phone number on file, and calling the work phone number provided. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
