Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:10 PM on 12 May 2026. The inspector attempted to contact the licensee by speaking to the licensee's spouse who stated the licensee would not be available for an inspection and leaving a voicemail at the provided cell phone number. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
