3.13(a)(4)

Veterinary care for dogs.

The program of veterinary care states that the licensee will evaluate all dogs in the kennel for healthy and unmatted hair coats, properly trimmed nails, clean and healthy eyes, ears, skin and teeth on a weekly basis. These checks are not being done by the licensee at this interval. The licensee must follow the program of veterinary care as specified by the attending veterinarian in order to ensure the dogs remain healthy.
