Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 11:00am on Wednesday, April 22, 2026. The inspector attempted to contact the licensee and was informed by a family member that the licensee was away for the day and not expected back for several hours. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
