2.40(b)(2)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

A white male hedgehog is missing a portion of its left ear. The remaining portion of the ear is thickened and scabbed. The injury occurred at least one week ago and had not been reported to the veterinarian prior to the time of inspection. The animal had only been removed from its group enclosure and isolated in its own enclosure. Failure to provide adequate veterinary care for animal injuries can result in further injury and veterinary complications.

This injury must be reported to the veterinarian. All prescribed treatments or instructions must be followed.

Note: The license holder contacted veterinarian during the time of inspection.

The inspection exit briefing was conducted with the facility owner.
