Type: ATTEMPTED INSPECTION
Date: 23-MAY-2018

2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 3:30 PM on 23-May-18. Inspector attempted to contact licensee by knocking on the door, calling the licensee via cell phone. Licensee stated she was out of town. This is the first attempted inspection.

The licensee failed to have a responsible person available to conduct an animal welfare inspection. The facility was not able to be inspected for compliance with the Animal Welfare Act, regulations and standards to ensure the health and well-being of the animals.

A responsible person must be available to accompany the inspector on an animal welfare inspection.

Correct from this day forward.
