2.75(a)(1)

RECORDS: DEALERS AND EXHIBITORS.

Sec. 2.75 Records: Dealers and exhibitors.

No records were on the premises to be inspected at the time of the inspection. Without accurate and complete records, there is no way to adequately tell if animals are receiving the proper care, treatment and observation that is required. A copy of all records must be made available during the inspection to ensure that accurate annotation of required information is being preformed.

3.131(a)

SANITATION.

Sec. 3.131 Sanitation.

An excessive accumulation of waste material was found in and around several of the enclosures. Without proper sanitation practices, animals may become ill, or food and water supplies may become contaminated. Ensure that compliance with proper sanitation practices is conducted as often as necessary to ensure the heath and safety of the animals.
