Type: NEW SITE INSPECTION
Date: 07-SEP-2021

3.13

Veterinary care for dogs.

The written program of veterinary care does not include the rabies vaccination schedule or a schedule for testing of parasites. The written program of veterinary care must address the requirements for adequate veterinary care for every dealer and exhibitor in § 2.40 of this subchapter and every research facility in § 2.33 of this subchapter, and must also include:

(a)(3) Vaccinations for contagious and/or deadly diseases of dogs (including rabies, parvovirus and distemper) and sampling and treatment of parasites and other pests (including fleas, worms, coccidia, giardia, and heartworm) in accordance with a schedule approved by the attending veterinarian.

This inspection was a site approval inspection.

This site is not ready for approval to conduct activity covered under your current Animal Welfare Act License.

Conducting regulated activities at a non-approved site is a violation of the Animal Welfare Act.

Please contact your inspector to schedule your next new site approval inspection.

This inspection and exit interview were conducted with a facility representative.
