ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1215 on 10-Jul-18.

Inspector arrival to premise at 12:15 pm on Tuesday 10-July-2018. Knocked on door of house (dog present, barking inside), no answer. Returned to vehicle, honked horn and called primary contact listed by licensee (xxx-xxx- 2140). Rang 20 times, no answer and no voice-mail nor answering machine pickup. Called phone # on annual report (xxx-xxx- 3409) at 12:19 pm; no answer on phone but able to leave voice mail message. Drove to kennel area and honked horn and waited.

Licensee returned call at 12:37 pm. Licensee stated she could not be available for inspection nor provide optimal hours during daylight for inspection on weekdays. Licensee said Sundays would be the only possible day. Licensee stated she would try to find a designated representative for possible inspection today.

Licensee called back at 1:10 pm and said she could not find anyone to be present for inspection today. I discussed with licensee the importance of getting her facility inspected and the possibility of doing a Sunday inspection. I requested licensee also call me between 4:00-6:00 pm today or tomorrow to discuss options and how we can get her facility inspected.

Left attempted inspection flyer with contact information taped to house door. Inspector departure from premise at 1:49 pm.
