#### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:07 PM on 2/26/2026. The inspector was able to reach the licensee by the primary contact phone number. The licensee was at a doctor's appointment and no other available adults on premise were available for a kennel inspection at that time. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
