3.1(c)(2)

HOUSING FACILITIES, GENERAL.

Surfaces must be repaired or replaced on a regular basis. Four of the doggy door frames need to be repaired where the dogs have chewed the plastic leaving openings where feces, hair, or dirt can become lodged. These open areas in the frames cannot be cleaned and properly sanitized. Also, left not repaired could possibly injure dogs. Owner needed to put into place a good maintenance program that promptly addresses needed repairs. Correct by 29JUN2019.
