#### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:15pm on 9 Feb. 2026. The inspector attempted to contact the licensee/registrant by knocking on door, telephoned cell number and left a message, honked horn and hollered. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
