2.75(a)(2) Repeat

Records: Dealers and exhibitors.

Three kittens were recently sold but the facility did not complete APHIS Form 7006 (Record of Disposition of Dogs and Cats) to document the sale of the kittens. APHIS Form 7006 must be used in order to ensure that all required disposition information is documented and available for inspection.

Each dealer shall use APHIS Form 7006 (Record of Disposition of Dogs and Cats) to make, keep, and maintain the required disposition information. The licensee must use APHIS Form 7006 to record the disposition (sale, donation, or trade) of all adult cats and kittens and ensure these records are available for inspection.

This inspection and exit interview were conducted with the facility representative.
