Site: 001

ROBERT THOMAS PETZEL JR

Type: ROUTINE INSPECTION

Date: 22-AUG-2023

---

### 2.75(b)(3)

#### Records: Dealers and exhibitors.

There are no copies of any acquisitions or dispositions for the hedgehogs. There must be a copy of the records of acquisition and disposition for all regulated animals for proper management and traceability. The licensee must keep complete and accurate records of sale of the regulated animals, and give one copy to the the buyer with each shipment and one copy for his own records. The records must include all of the required information listed in AWA 2.75(b)(1) Records, dealers and exhibitors.

Correct by August 24, 2023

### 3.130

#### Watering.

The water bottles for 32 hedgehogs had pale to dark green material adhered to the sides and top of the bottle. Growth of algae and biofilm may contaminate water and present a disease hazard. Water receptacles shall be kept clean and sanitary.

Correct by August 24, 2024

This inspection and exit interview were conducted with a facility representative.
