ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1: 00 PM on 08-JUN-17.

This licensee has permanently moved from his home facility, regulated activity will no longer be conducted. Received an e-mail from this licensee stating he is no longer conducting covered activity. Explained during last inspection that his USDA license is only valid at this location and that he had to contact the eastern regional office if he wanted to conducted regulated activity at another location.
