### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:00 pm on 19-Jan-17.

I called the owner when I was 20 minutes away from the facility because there was no cellular service beyond that point. I arrived at the facility at 12:00 pm and no one appeared to be on the premises. I waited for 30 minutes and then left the facility. Once I obtained cellular service again I attempted to contact the owner for the second time. The owner answered and stated that he was unable to conduct an inspection at that time. I informed him that this was the 2nd attempted inspection and to forward me some optimal time frames in which he would be available. I also included my business card along with the attempted inspection report.
