3.6(a)(2)(i)

Primary enclosures.

Inside Pen 1a housing 2 adult dogs named "Balder" and "Mishka" the corrugated metal panel along the west side near the divider gate has ripped and jagged edges. The ripped and jagged edges have sharp points that can injure the animals. All primary enclosures must be constructed and maintained so they have no sharp points or edges that could injure the dogs.

3.8

Repeat

Exercise for dogs.

A written document of an exercise plan approved by the attending veterinarian was not available at the time of inspection. A documented and approved exercise plan helps ensure that a dogs' space requirements and exercise needs have been considered and will be provided. The facility must develop, document, and follow an appropriate plan to provide dogs with the opportunity for exercise. In addition, the plan must be approved by the attending veterinarian. The plan must include written standard procedures to be followed in providing the opportunity for exercise.

This inspection and exit briefing were conducted with the licensee.
