The licensee did not have all of the required information concerning the acquisition of numerous rabbits, hamsters, gerbils, rats, and guinea pigs from a breeder for resale by the licensee between October 2013-May 2014. The records maintained by the licensee had the name, address, and telephone number for this breeder but no USDA License/Registration number, if they are licensed/registered with USDA, APHIS, Animal Care, or no driver's license number and state and vehicle license number and state if they are not licensed or registered.
