#### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:00 on 9/24/2025. The inspector attempted to contact the licensee by ringing the doorbell, calling, and by email. The inspector waited 30 minutes and a leave-behind -note was left at the door. The inspector received an email and a call that afternoon to inform me she had moved from that address. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
